5. Cookies

5.1 Technical or functional cookies

Some cookies ensure that certain parts of the website work properly and that your user preferences remain known. By placing functional cookies, we make it easier for you to visit our website. This way, you do not need to repeatedly enter the same information when visiting our website and, for example, the items remain in your shopping cart until you have paid. We may place these cookies without your consent.

On this website we use advertising cookies, enabling us to gain insights into the campaign results. This happens based on a profile we create based on your behaviour on <https://www.thegoodfoodnetwork.com>. With these cookies you, as website visitor, are linked to a unique ID but these cookies will not profile your behaviour and interests to serve personalized ads.

Because these cookies are marked as tracking cookies, we ask your permission to place these.

5.4 Marketing/Tracking cookies

Marketing/Tracking cookies are cookies or any other form of local storage, used to create user profiles to display advertising or to track the user on this website or across several websites for similar marketing purposes.

5.5 Social media

On our website, we have included content from Facebook to promote web pages (e.g. “like”, “pin”) or share (e.g. “tweet”) on social networks like Facebook. This content is embedded with code derived from Facebook and places cookies. This content might store and process certain information for personalised advertising.
